## ORDER FORM FOR SUMMER MATH PROGRAM/ 2018-2019 3<sup>rd</sup> grade Math IXL Fee (For current 2<sup>nd</sup> graders)

As part of our continued SACS Accreditation process, St. Jude employs a mandatory summer math program for all students currently in grades 2<sup>nd</sup> through 7<sup>th</sup>. We believe that this program will reinforce the math skills taught and give students preliminary skills needed to start the new school year, prepared and ready for math! With your signature, you are agreeing to partner in this program and will support your child during the summer with completion of assigned work in the school selected workbook. The fee for this workbook is \$5.00.

Beginning in August 2018, your child as a 3<sup>rd</sup> grader will begin using the Math IXL Program. The fee for that online program is \$20.00.
