Message from Mrs. Gardiner

Dear St. Jude Family and Friends,

St. Jude School is installing NASA technology clinically proven to eliminate the virus that causes COVID-19. This technology will keep our students, teachers and staff safe from COVID-19 and dozens of harmful viruses and airborne and surface pollutants. We are committed to keeping our Cougars safe! Stay tuned for more information.

One in Christ,

Michelle Gardiner, M.ED.

Congratulations

Congratulations to Connie Chau, Soo Park and Camille Starkovich. They have been named SJA 1868 award winners! The 1868 award celebrates the exceptional achievements of young women in an area or activity of particular interest to them, including but not limited to the arts, service, community involvement, the STEM disciplines, leadership or extracurricular activities. These ladies submitted a 250 word essay about a special gift that they have a passion for and a recommendation letter was submitted on their behalf.

Congratulations to Jonathan Thompson. He will be representing St. Jude in the state Math Counts competition on March 25th. Geaux Jonathan!
