

# **Greetings from Mrs. Gardiner**

Dear St. Jude families,

Happy New Year! Please see a letter from Father Trey Nelson regarding parking lot construction.

One in Christ, Michelle Gardiner, M. Ed.

January 5, 2024 A Letter from Fr. Trey Nelson

To Our St. Jude School Parents, Faculty, and Staff, and to our Parish Community-at-Large:

It may not feel like it, but through this coming weekend, the Feast of Epiphany, we are still in the Christmas Season in the church year. So, once again, Merry Christmas and Happy New Year to you and your loved ones! I hope your time together with family and friends was enjoyable. Please know of my continued prayers for all of you.

The purpose of this letter is to remind everyone of work to be done on a small area of our parking lot. We began announcing this a few months ago, attempting to choose the best time of year possible to do the work. While we had entertained waiting until the summer, that would simply not be feasible. The work, to be done on a very small section of our parking lot, will begin on Tuesday morning, January 9, with the obvious possibility of the start date being rescheduled again, should bad weather arise. This work will briefly affect parking and traffic flow. It will, obviously, affect, to a certain degree, the following: carpool, weekend and weekday Masses, funerals, weddings, and so on. We have met with the contractor doing the work and are planning to block off a minimal amount of space. I need to also say thank you to all of you again, because without you this project would not be possible. You may recall, it was during the pandemic when we completely replaced the entire parking lot, at a cost of almost \$1 million. Again, this was made possible because of your continued sacrifice and financial stewardship.

At this point I am asking for your assistance with the following: 1. Let us all exercise patience, as this will inconvenience most of us for a brief while. 2. To our school population: if you have any concerns or questions related to school carpool or anything connected to school, please contact Mrs. Gardiner, our principal, directly, not our Church Parish Staff. Please do not direct your questions to our deacons or other staff but to Mrs. Gardiner. 3. If you have any concerns or questions related to general parish life (such as traffic flow and parking for Masses and other similar events), please contact our Facilities Manager, Keith Gaspard, at 225.766.2431. Deacon James will be out until Thursday January 11. At that point, you may direct your questions to him or to Keith.

Our goal, as always, is to maintain our physical campus. I truly appreciate your understanding and support. Thank you very much for everything!

Sincerely,

Fr. Tung
